Happy Holidays! The Christmas season is upon us and what a fun and exciting month for all of us. We start out the first week with our Christmas Program on Tuesday, Dec. 4th, at 4:30 P.M. This is one of our favorite events that many of you look forward to all year long. All the children are in the program and have been practicing for some time now. Everyone is also invited to stay for supper with us after the concert. Please be sure to turn in your pizza form ASAP. As the month progresses we will be having individual class Christmas parties in each room. Check with your child's teacher for information about your child's classroom party. Christmas is such a special time, make sure to spend this extra time with your children. Let's try to keep the "Christ" in Christmas and try not to get caught up in the hustle and bustle of the holiday season. After all, Jesus is the reason for this blessed holiday season!

Some closing dates to mark on your calendar are Dec. 24th and Dec. 25th. We will also close early, at 5:00 P.M., on Monday, Dec. 31st.

Parents, your children are awesome and it has been a privilege working with them and watching them grow. Thank you for entrusting them to us; we take our jobs very seriously and will continue to do our best in teaching and nurturing your children. We can't wait to see what the new year has in store for us.
